IT MATTERS

For Everyone
LaborWorkx Available on Mobile
Effective Friday, June 25

Tomorrow, June 25, LaborWorkx will be available as an app on your mobile device. With this app, you can logon and view your timecard, schedule, benefits, request time off and more from the palm of your hand. Simply download the **API Healthcare MobileWorkforce** app from the **Intune Company Portal** to get started.

Employees: Review this quick start guide to help you download and logon to the app and view useful tips. **Note**: The clock in/out feature has been disabled, until further notice.
