

# LUNG CANCER PREVENTION

Please join our virtual event as our expert panelists, led by a Houston Methodist facilitator, discuss the importance of lung cancer prevention. Discussion topics include:

- Lung cancer screening information and eligibility
- Smoking cessation education
- Services and treatments available for early to late stage lung cancers

**Who:** Dr. Hammad Qureshi and Dr. Mohammad Khalil

---

**When:** Noon – 1 p.m. Tuesday, Nov. 30

---

**Where:** Join us from the comfort of your home for these virtual sessions at 877.209.1359. When prompted, enter access code 2532 272 7243.

---

**RSVP:** For Webex video information or to register for our virtual lung cancer prevention event, contact Cynthia Andrews at **281.223.0576**.

---

Dr. Hammad Qureshi is board certified in Pulmonary Disease, medical director for critical care at Houston Methodist The Woodlands Hospital and a member of the Houston Methodist Lung Center Team.

Dr. Mohammad Khalil is board certified in Hematology and Medical Oncology at Houston Methodist Cancer Center at The Woodlands.
