

# MyChart Video Visit

## How to Connect via Phone or Tablet

(Recommended)

INSTRUCCIONES EN ESPAÑOL SE PUEDE ENCONTRAR AL FONDO

1. Download **MyChart** app.
  - a. Open the **App Store** or **Google Play** on your smart phone or tablet.
  - b. Search for **MyChart**.
  - c. Select **Get** or **Download**.
  - d. Open the **MyChart** app.
  - e. Read and accept the terms at the bottom.
  - f. Search for and select **Houston Methodist**.
  - g. Log in with your Houston Methodist **MyChart** username and password.
  
2. Connect to your video visit.
  - a. Log in to the **MyChart** app.
  - b. Select **Appointments** from the main screen.
  - c. Select **MyChart Video Visit** appointment with **green camera** icon.
  - d. At the bottom, select **Begin Visit** to begin your video visit.
  - e. If prompted, allow access to your microphone and camera.
  - f. You'll be taken to the pre-visit screen. Once you receive the green banner confirming that your camera and microphone passed the tech check, click **Join Meeting**.
  - g. Once connected, wait for your provider to join.
  - h. If you have trouble connecting, call the support line at 713.441.7265.
  
3. Video visit requirements and trouble-shooting tips
  - A stronger network connection via Wi-Fi or LTE will increase video and sound quality.
  - Your mobile device should be adequately charged or plugged in during the visit.
  - If the app quits upon connecting, reboot your device and try again.
  - If the provider can't hear you and you're on an iPhone, ensure the ring/silent switch is on or use headphones.
  - If the call gets disconnected from the video feed, both users should disconnect and reconnect to the visit.
  - Video visits should be performed in a safe, private and secure location where you are comfortable discussing personal health information. Please do not connect while operating a motor vehicle.

# MyChart Video Visit
