

HOUSTON METHODIST
STANLEY H. APPEL
DEPARTMENT OF NEUROLOGY

ALS and Neuromuscular Disorders

Stanley H. Appel, MD
Chair, Stanley H. Appel Department of Neurology
Peggy and Gary Edwards Distinguished Chair in ALS Research
Co-director, Houston Methodist Neurological Institute
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Alzheimer’s disease
- Multiple system atrophy
- Parkinson’s disease
- Amyotrophic lateral sclerosis (ALS)
- Neuromuscular disease
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3760

Ericka P. Greene, MD, FAAN
The Sumner Family Chair in Neuromuscular Research
Director, Neuromuscular Clinic and Research
Director, Neurology Residency Program
Associate Professor of Clinical Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Muscular dystrophy
- Neuropathy
- Inflammatory myopathy
- Myasthenia gravis
- Peripheral neuropathy/CIDP
- Mitochondrial disorders
- Myopathy/inflammatory myopathy
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

Ashley E. L. Anderson, MD, MPH
Neuromuscular Clinic and Research Member
Neurologist

EXPERTISE

- Amyloid neuropathy
- Electromyography (EMG)
- Neuromuscular disorders
- Amyotrophic lateral sclerosis (ALS)
- Epilepsy
- Peripheral neuropathy
- Chronic inflammatory demyelinating polyneuropathy (CIDP)
- Inflammatory myopathies
- Public health
- Myasthenia gravis
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

Fluent in Mandarin Chinese

Bing Liao, MD, MSC
Neuromuscular Clinic and Research Member
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Electromyography (EMG/NCV)
- Myasthenia gravis
- Botulinum toxin injection
- Guillain-Barré syndrome, CIDP
- Occipital nerve block
- Cancer treatment related neuromuscular disorders
- Migraine, various headache syndromes
- Teleneurology
- Carpal tunnel syndrome
- Muscular dystrophy

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

David B. Rosenfield, MD
David B. Rosenfield M.D. Chair in Speech and Language in Neurology
Director, Speech and Language Center
Director, EMG and Motor Control Laboratory
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Back and neck pain
- Epilepsy
- Ruptured discs
- Cervical, lumbar and brain trauma
- Multiple sclerosis
- Shoulder pain
- Causalgia
- Musculoskeletal pain
- Speech-motor compromise
- Electromyography (EMG)
- Myasthenia gravis
- Stuttering
- Neurolaryngology
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.5070

Fluent in Hindi

Sheetal Shroff, MD
Neuromuscular Clinic and Research Member
Director, Neuromuscular Medicine Fellowship Program
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Amyloid neuropathy
- Electromyography (EMG)
- Myasthenia gravis
- Amyotrophic lateral sclerosis (ALS)
- Metabolic and inflammatory myopathies
- Neuroimmunology
- Carpal tunnel syndrome
- Muscle and skin biopsy
- Neuromuscular diseases
- CIDP/AIDP
- Muscular dystrophy
- Neuromuscular ultrasound
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

R. Glenn Smith, MD, PhD
Neuromuscular Clinic and Research Member
Neurologist

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Guillain-Barré syndrome
- Neuromuscular disease
- Electromyography (EMG)
- Multiple sclerosis
- Neuropathy
- Muscular dystrophy
- Spasticity
- Myasthenia gravis
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

Jason R. Thonhoff, MD, PhD
Neuromuscular Clinic and Research Member
Peggy and Gary Edwards ALS Lab Member
Assistant Professor of Neurology, Weill Cornell Medical College
Neurologist and Neuroscientist

RESEARCH INTERESTS

- Amyotrophic lateral sclerosis (ALS)
- Muscular dystrophy
- Neuromuscular disorders
- Chronic inflammatory demyelinating polyneuropathy (CIDP)
- Myasthenia gravis

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

Alzheimer’s Disease and Cognitive Disorders

Fluent in Spanish

Joseph C. Masdeu, MD, PhD
Graham Distinguished Chair in Neurological Sciences
Director, Nantz National Alzheimer Center and Neuroimaging
Director, Behavioral Neurology and Neuropsychiatry Fellowship Program
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Alzheimer’s disease
- Behavioral disorders
- Gait disorders
- Memory disorders
- Neurodegenerative disorders
- Neuroimaging
- Teleneurology
- Traumatic brain injuries

LOCATION

6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.1150

Fluent in Persian

Alireza Faridar, MD
Nantz National Alzheimer Center Member
Assistant Professor of Neurology, Weill Cornell Medical College
Cognitive Neurologist & Neuroimaging

EXPERTISE

- Alzheimer’s disease
- Frontotemporal dementia
- Inflammatory/ autoimmune encephalitis
- Lewy body dementia
- Neurodegenerative disorder
- Parkinson’s disease
- Rapid progressive dementia
- Teleneurology
- Vascular dementia

LOCATION

6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.1150

Fluent in Spanish and French

Gustavo C. Roman, MD, DRHC
Jack S. Blanton Presidential Distinguished Chair for the Study of Neurological Disease
Co-director, Nantz National Alzheimer Center
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Alzheimer’s disease
- Behavioral and cognitive neurology
- Dementias, various
- Executive dysfunction
- Frontotemporal dementia
- Lewy body dementia
- Memory disorders
- Mild cognitive impairment
- Normal pressure hydrocephalus
- Parkinson’s disease dementia
- Post-traumatic cognitive impairment
- Post-traumatic dementia
- Teleneurology
- Vascular cognitive impairment
- Vascular dementia

LOCATION

6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.1150

Fluent in Arabic

M. Obadah Nakawah, MD
Nantz National Alzheimer Center Member
Director, Neuroimaging Fellowship Program
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Cognitive Neurologist & Neuroimaging

EXPERTISE

- Alzheimer’s disease
- Behavioral neurology
- Cognitive neurology
- Delirium and dementia syndromes
- Gait disorders
- Headache disorders
- Neurodegenerative diseases
- Neuroinflammatory diseases
- Neuropathy and neuropathic pain
- Normal pressure hydrocephalus (NPH)
- Parkinson’s disease and Lewy body dementia (LBD)
- Primary progressive aphasia
- Teleneurology
- Vertigo and dizziness

LOCATION

6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.1150

Concussion and Neuropsychology

Kenneth Podell, PhD, FACP
John M. O'Quinn Centennial Clinical Academic Scholar in Concussion Research and Care
Director, Houston Methodist Concussion Center and Neuropsychology Section
Associate Professor of Neuropsychology in Clinical Neurology, Weill Cornell Medical College
Neuropsychologist

- EXPERTISE
- Attention deficit disorder
 - Memory problems
 - Sports concussions
 - Brain Injury
 - Neuropsychology
 - Teleneuropsychology
 - Concussion
 - Neurodegenerative disease
 - Traumatic brain injury (TBI)
 - Dementia

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 1840
Houston, TX 77030
713.441.8277

Epilepsy and Seizures

Fluent in Hindi and Punjabi

Amit Verma, MD
Director, Comprehensive Epilepsy Program
Director, Clinical Neurophysiology Fellowship Program
Director, Divisions of Neurophysiology
Associate Professor of Clinical Neurolog, Weill Cornell Medical College
Neurologist

EXPERTISE

- Deep brain stimulation (DBS)
- Intraoperative monitoring
- Teleneurology
- Electroencephalography (EEG)
- Responsive neurostimulation (RNS)
- Vagus nerve stimulation (VNS)
- Epilepsy
- Seizures

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3970

Fluent in Hindi and Gujarati

Rajan R. Gadhia, MD
Eddy Scurlock Stroke Center Member
Director, Teleneurology Services, Houston Methodist Hospital
Medical Director, Houston Methodist Concussion Center
Director, Vascular Neurology Fellowship Program
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Vascular Neurologist

- EXPERTISE
- Atrial fibrillation
 - Hyperacute stroke management
 - Sports-related concussions
 - Carotid revascularization
 - Intracerebral hemorrhage
 - Subarachnoid hemorrhage
 - Carotid ultrasound and transcranial Doppler
 - Large vessel occlusion
 - Teleneurology
 - Cervical artery dissection
 - Neuroimaging
 - Telestroke

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

Brandy Ma, MD, MPH
Comprehensive Epilepsy Program Member
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Neurologist

- EXPERTISE
- Deep brain stimulation (DBS)
 - Epilepsy surgery
 - Seizures in the critically ill
 - Electroencephalography (EEG)
 - Responsive neurostimulation (RNS)
 - Teleneurology
 - Epilepsy
 - Women with epilepsy

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3970

Fluent in Spanish

Veronica J. Burton, PhD, ABPP
Houston Methodist Concussion Center and Neuropsychology Section
Neuropsychologist

- EXPERTISE
- Amyotrophic lateral sclerosis (ALS)
 - Ehlers-Danlos syndrome
 - Stroke
 - Brain tumor assessment
 - Memory disorders
 - Teleneuropsychology
 - Chiari malformation
 - Normal pressure hydrocephalus
 - Traumatic brain injury (TBI)
 - Concussion
 - Parkinson's disease
 - Dementia
 - Seizure disorders

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 1840
Houston, TX 77030
713.441.8277

Randall J. Wright, MD
Comprehensive Epilepsy Program Member
Neurologist

- EXPERTISE
- Dementia
 - Headache/botox injection
 - Parkinson's disease
 - EEG/EMG-NCV/VNS/DBS
 - Multiple sclerosis
 - Stroke prevention
 - Epilepsy
 - Neck and back pain
 - Telemedicine
 - Expertise
 - Obstructive sleep apnea/sleep disorders
 - Fibromyalgia
 - Teleneurology

LOCATIONS
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
936.270.3900

17183 Interstate 45 S.
Medical Office Building 1
Suite 640
The Woodlands, TX 77385
936.270.3900

General Neurology

Jillian M. Heisler, MD, PhD
General Neurology Division Member in Pearland
Neurologist

EXPERTISE

- Back and neck pain
- Carpal tunnel syndrome
- Electromyography (EMG)
- Migraine, headache
- Memory loss
- Neuropathy
- Occipital neuralgia
- Parkinson's disease
- Teleneurology

LOCATION
8520 W. Broadway St.
Suite 210
Pearland, TX 77584
346.238.5004

Fluent in
Mandarin Chinese

Cuie Qiu, MD, PhD
General Neurology Division Member in Bellaire
Neurologist

EXPERTISE

- Alzheimer's disease
- Botulinum toxin for migraine
- Carpal tunnel syndrome
- Electroencephalography (EEG)
- Electromyography (EMG)
- Migraine headaches
- Memory loss
- Multiple sclerosis
- Neck and back pain
- Numbness and tingling
- Restless leg syndrome
- Seizures
- Teleneurology
- Tremor
- Weakness

LOCATION
4191 Bellaire Blvd.
Suite 250
Houston, TX 77025
713.363.7130

Julia L. Jones, MD
General Neurology Division Member
Neurologist

EXPERTISE

- Back & neck pain
- Botulinum toxin for migraine
- Brachial plexus nerve
- Carpal tunnel syndrome
- Cervical disc disease
- Chronic and episodic migraines
- Dizziness and vertigo
- Electromyography (EMG)
- Gait difficulty
- Low back pain
- Multiple sclerosis
- Other headache disorders
- Neuropathy
- Pseudotumor
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7150

Randall J. Wright, MD
Comprehensive Epilepsy Program Member
Neurologist

EXPERTISE

- Dementia
- Deep brain stimulation (DBS)
- EEG/EMG-NCV/VNS/DBS
- Epilepsy
- Expertise
- Fibromyalgia
- Headache/botox injection
- Multiple sclerosis
- Neck and back pain
- Obstructive sleep apnea/sleep disorders
- Parkinson's disease
- Responsive neurostimulation (RNS)
- Stroke prevention
- Telemedicine
- Teleneurology

LOCATIONS
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
936.270.3900

17183 Interstate 45 S.
Medical Office Building 1
Suite 640
The Woodlands, TX 77385
936.270.3900

Fluent in
Mandarin Chinese

Bing Liao, MD, MSC
Neuromuscular Clinic and Research Member
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Botulinum toxin injection
- Cancer treatment related neuromuscular disorders
- Carpal tunnel syndrome
- Electromyography (EMG/NCV)
- Guillain-Barré syndrome, CIDP
- Migraine, various headache syndromes
- Muscular dystrophy
- Myasthenia gravis
- Occipital nerve block
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.363.7310

Parkinson’s and Movement Disorders

Fluent in
Mandarin Chinese

Eugene C. Lai, MD, PhD
Robert W. Hervey Chair for Parkinson’s Research and Treatment
Elected Deputy Chair of Neurology Service, Houston Methodist
Professor of Neurology and Neuroscience, Weill Cornell Medical College
Neurologist

EXPERTISE

- Botulinum toxin treatments
- Memory disorders
- Parkinson’s disease and Parkinsonism
- Dementias
- Movement disorders
- Tremor disorders
- Gait disorders
- Neurodegenerative disorders
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.0239

Andrew Billnitzer, MD, MPH
Movement Disorders Clinic Member
Neurologist

EXPERTISE

- Ataxia
- Huntington’s disease
- Tardive dyskinesia
- Atypical parkinsonism (PSP, MSA)
- Parkinson’s disease
- Tics and Tourette syndrome
- Dystonia
- Restless leg syndrome (RLS)
- Tremors

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 1002
Houston, TX 77030
713.363.8184

William G. Ondo, MD
Director, Movement Disorders Clinic
Director, RLSF Quality Care Center, Houston Methodist Neurological Institute
Director, Movement Disorders Fellowship Program
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Autonomic insufficiency
- Dystonia, including administration of botulinum toxin
- Parkinson’s disease
- Chorea, including Huntington’s disease
- Essential tremor
- REM sleep behavior disorder (RBD)
- Drug-induced movement disorders, including tardive dyskinesia
- Gait abnormality
- Restless legs syndrome (RLS)
- Myoclonus
- Teleneurology
- Normal pressure hydrocephalus (NPH)
- Tic disorders

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 1002
Houston, TX 77030
713.363.8184

Fluent in Russian

Olga Waln, MD
Movement Disorders Clinic Member
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Ataxia
- Intrathecal baclofen therapy
- Parkinson’s disease and other parkinsonism
- Botulinum toxin injection
- Movement disorders
- Spasticity
- Deep brain stimulation
- Neurodegenerative disease
- Tardive dyskinesia
- Dystonia
- Tic disorder
- Huntington’s disease
- Tremor

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 1002
Houston, TX 77030
713.363.8184

Fluent in Japanese

Tetsuo Ashizawa, MD
Harriet and Joe B. Foster Distinguished Chair in Neurosciences
Director, Neuroscience Research Program, Houston Methodist
Movement Disorders Clinic Member
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Spinocerebellar ataxias and other cerebellar ataxias
- Friedreich’s ataxia
- Myotonic dystrophy
- Facioscapulohumeral muscular dystrophy
- Huntington’s disease
- Charcot-Marie-Tooth disease
- Fragile X-associated tremor ataxia syndrome
- Limb-girdle muscular dystrophy
- Teleneurology
- Multiple system atrophy –cerebellar type

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3780

Speech, Language and Cognitive Compromise

David B. Rosenfield, MD
David B. Rosenfield, M.D. Chair in Speech and Language in Neurology
Director, Speech and Language Center
Director, EMG and Motor Control Laboratory
Professor of Neurology, Weill Cornell Medical College
Neurologist

EXPERTISE

- Back and neck pain
- Epilepsy
- Ruptured discs
- Cervical, lumbar and brain trauma
- Multiple sclerosis
- Shoulder pain
- Causalgia
- Musculoskeletal pain
- Speech-motor compromise
- Electromyography (EMG)
- Myasthenia gravis
- Stuttering
- Neurolaryngology
- Teleneurology

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.5070

Vascular Neurology and Stroke

John J. Volpi, MD
Vice Chair, Stanley H. Appel Department of Neurology
Elkins Family Distinguished Centennial Clinical Academic Scholar in Neurology
Director, Eddy Scurlock Stroke Center
Director, Cerebral Blood Flow Lab
Associate Professor of Clinical Neurology, Weill Cornell Medical College
Vascular Neurologist

EXPERTISE

- Atrial fibrillation medications
- Brain bleeds
- Cartoid disease
- Cause of stroke in young people
- Devices for treating and diagnosing atrial fibrillation
- Dizziness
- Patent foramen ovale treatment
- Silent stroke
- Stroke
- Teleneurology
- Telestroke
- Vascular dementia
- Vascular disease from injury (dissection)

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

Fluent in Hindi

Tanu Garg, MD
Eddy Scurlock Stroke Center Member
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Vascular Neurologist

EXPERTISE

- Acute stroke management
- Carotid revascularization
- Intracerebral hemorrhage
- Lifestyle management of stroke
- Stroke associated neurocognitive impairment
- Stroke prevention
- Stroke rehabilitation
- Teleneurology
- Telestroke

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

David Chiu, MD
Elizabeth Blanton Wareing Chair in the Eddy Scurlock Stroke Center
Professor of Clinical Neurology, Weill Cornell Medical College
Vascular Neurologist

EXPERTISE

- Atrial fibrillation and flutter
- Brain aneurysms and arteriovenous malformations (AVM)
- Carotid surgery and angioplasty stenting
- Stroke-cerebrovascular accident
- Stroke recovery and rehabilitation
- Teleneurology
- Telestroke
- Transient ischemic attacks

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

Fluent in Hungarian

Timea M. Hodics, MD
Eddy Scurlock Stroke Center Member
Vascular Neurologist, Neuroimaging

EXPERTISE

- Brain stimulation
- Clinical trial studies
- Hemiparesis
- Neuroimaging
- Neurophysiology
- Stroke
- Stroke recovery
- Telestroke

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

Fluent in Hindi and Gujarati

Rajan R. Gadhia, MD
Eddy Scurlock Stroke Center Member
Director, Teleneurology Services, Houston Methodist Hospital
Medical Director, Houston Methodist Concussion Center
Director, Vascular Neurology Fellowship Program
Assistant Professor of Clinical Neurology, Weill Cornell Medical College
Vascular Neurologist

EXPERTISE

- Atrial fibrillation
- Carotid revascularization
- Carotid ultrasound and transcranial Doppler
- Cervical artery dissection
- Hyperacute stroke management
- Intracerebral hemorrhage
- Large vessel occlusion
- Neuroimaging
- Sports-related concussions
- Subarachnoid hemorrhage
- Teleneurology
- Telestroke

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

Fluent in Hindi and Urdu

Vivek Misra, MD, FAHA
Eddy Scurlock Stroke Center Member
Associate Professor of Clinical Neurology, Weill Cornell Medical College
Vascular Neurologist

EXPERTISE

- Acute stroke reperfusion therapies
- Cardioembolic stroke
- Carotid and vertebral artery dissection
- Carotid stenosis and treatment
- Cryptogenic and pediatric cerebrovascular disease
- Intracranial stenosis
- Intracerebral hemorrhage
- Stroke and cerebrovascular imaging
- Stroke recovery
- Telemedicine for stroke management
- Teleneurology
- Transient ischemic attacks

LOCATION
6560 Fannin St.
Scurlock Tower, Suite 802
Houston, TX 77030
713.441.3952

Neuroscientists

David R. Beers, PhD
Peggy and Gary Edwards ALS Laboratory Member
Associate Research Professor of Neurology, Institute for Academic Medicine
Neuroscientist

- RESEARCH INTERESTS
- Amyotrophic lateral sclerosis (ALS)
 - Alzheimer’s disease
 - Neuroinflammation
 - Neuroprotection
 - Neurotoxicity

Aaron D. Thome, PhD
Assistant Research Professor of Neurology, Weill Cornell Medical College
Peggy and Gary Edwards ALS Laboratory Member
Neuroscientist

- RESEARCH INTERESTS
- Alzheimer’s disease
 - Neuroinflammation
 - Immunotherapy
 - Parkinson’s disease

Fluent in Japanese

Masahiro Fujita, MD, PhD
Director, PET Core Facility, Houston Methodist Research Institute
Nantz National Alzheimer Center Member
Neuroscientist

- RESEARCH INTERESTS
- Brain imaging
 - Molecular imaging
 - Image qualification
 - PET

Fluent in Korean

Kyuson Yun, PhD
Brain Cancer Research Laboratory Member
Assistant Professor of Cancer Biology in Neurology, Weill Cornell Medical College
Neuroscientist

- RESEARCH INTERESTS
- Brain cancer
 - Mouse modeling
 - Single cell genomics
 - Cancer stem cells
 - Neuro-inflammation
 - Tumor immunology

Fluent in Spanish

Belen Pascual, PhD
Director, Frontotemporal Degeneration Unit
Co-director, Neuroimaging Lab
Nantz National Alzheimer Center Member
Associate Research Professor of Neurology, Weill Cornell Medical College
Neuroscientist

- RESEARCH INTERESTS
- Alzheimer’s disease
 - Neurodegenerative diseases
 - Primary progressive aphasia
 - Frontotemporal dementia
 - Neuroimaging, cognition

Fluent in Mandarin Chinese

Weihua Zhao, MD, PhD
Peggy and Gary Edwards ALS Laboratory Member
Assistant Research Professor of Neurology and Neuroscience, Weill Cornell Medical College
Neuroscientist

- RESEARCH INTERESTS
- Amyotrophic lateral sclerosis (ALS)
 - Neuroinflammation
 - Neurotoxicity
 - Neuroprotection

U.S. News & World Report has ranked Houston Methodist Hospital No. 21 among 1,123 hospitals in neurology and neurosurgery. *U.S. News & World Report* has also named Houston Methodist Hospital the No. 1 hospital in Texas every year since the award began and one of the nation's best as a nationally ranked Honor Roll hospital.

Houston Methodist Hospital
6560 Fannin St.
Scurlock Tower
Suite 802
Houston, TX 77030

**Comprehensive Care Center
in Pearland**
8520 W. Broadway St.
