

Find-A-Doc Profile Overview

Eligible for all privileged physicians at Houston Methodist Hospital

What is Find-A-Doc?

Find-A-Doc is a platform on the Houston Methodist website (houstonmethodist.org/find-a-doctor) where individuals can search for privileged physicians by specialty, condition, procedure or name.

Find-A-Doc pulls information from the physician database, Kyruus/ProviderMatch, and provides searchable data for the following:

- Search engine optimization (i.e. Google)
- MyMethodist mobile app
- Consumers calling to find a physician
- Global Health
- Referrals
- HM website

I do not have a Find-A-Doc profile. How do I create one?

Please contact your physician liaison or HMPhysicianLiaisons@houstonmethodist.org.

To optimize your Find-A-Doc profile, ensure that the following fields are completed:

General – full name, photo (please refrain from photos with non-Houston Methodist branded lab coats), gender, all languages spoken fluently (including English) by the physician or office staff, degrees and accreditations, NPI, hospital affiliations and provider organization

Locations/scheduling – ability to accept new patients, all practice locations

Experience and education

important field

All accepted insurances

important field

Clinical – Specialty and keywords for conditions/procedures of interest included in HMH privileges

Notes – biography/professional statement, clinical interests, video

How can I use Find-A-Doc for specialist referrals?

Providers and office staff members can use Find-A-Doc to search for specialists that are Houston Methodist credentialed medical staff providers. On Find-A-Doc, you can:

Search by specialty, condition, procedure or provider name

View list of specialists with clinic address and contact information

Filter by zip code, first available, insurance type, gender or language

Home

Find a Doctor

Search by Specialty, Condition, Procedure or Doctor

Enter a Specialty, Condition, Procedure or Doctor Name

ZIP Code (Optional)

Search

FAD search field screen
