## Pelvic Floor Medicine & Reconstructive Surgery

### Kathleen C. Kobashi, MD

Department Chair

#### EXPERTISE

- Male and female urinary incontinence
- Neuromodulation
- Overactive bladder
- Pelvic floor reconstruction
- Pelvic prolapse
- Urogynecology and female urology
- Voiding dysfunction

#### EDUCATION & TRAINING

**Medical School:** Hahnemann University, Philadelphia, Pennsylvania

**Residency:** Urology, University of California, Irvine, California

**Fellowship:** Female Pelvic Medicine and Reconstructive Surgery, Cedars Sinai Hospital, Los Angeles, California

### Ricardo R. Gonzalez, MD

#### EXPERTISE

- Aquablation of prostate
- Benign prostatic hyperplasia (BPH)
- Bladder stones
- HoLEP (Holmium laser enucleation of the prostate)
- Minimally invasive procedures (iTind, Optilume®, Rezum™ and Urolift®)
- Pelvic floor reconstruction (mesh-free prolapse repairs)
- Prostate check/ elevated PSA
- Prostate laser surgery (vaporization and enucleation)
- Urinary incontinence
- Urogynecology and female urology
- Vaginal laser office resurfacing (MonaLisa® Touch)
- Voiding dysfunction

#### EDUCATION & TRAINING

**Medical School:** Stanford Medical School, Stanford, California

**Residency:** Urology, New York Presbyterian Hospital/Weill Cornell Medical Center, New York, New York

**Fellowship:** Female Urology, Neuro-urology and Voiding Dysfunction, New York Presbyterian Hospital/Weill Cornell Medical Center, New York, New York

## Rose Khavari, MD

### EXPERTISE

- Fistula repair
- Neurogenic bladder (multiple sclerosis, spinal cord injury, Parkinson's disease, etc.)
- Neuromodulation (Botox® and sacral neurostimulator)
- Prosthesis for urinary incontinence
- Robotic surgery
- Transitional urology (adult spina bifida)
- Urogynecology and female urology (pelvic floor reconstruction)
- Urinary diversion/reconstruction
- Urinary incontinence and voiding dysfunction (male and female)

### EDUCATION & TRAINING

**Medical School:** The University of Texas Medical Branch at Galveston

**Residency:** Urology, Baylor College of Medicine, Houston, Texas

**Fellowship:** Continence, Pelvic Reconstructive Surgery and Neuro-urology, Houston Methodist Hospital, Houston, Texas

## Julie N. Stewart, MD

### EXPERTISE

- Fistula repair
- Intravesical Botox® and sacral neurostimulation for overactive bladder
- Neurogenic bladder (multiple sclerosis, spinal cord injury, Parkinson's disease, etc.)
- Prosthesis for male urinary incontinence
- Robotic surgery
- Urinary diversion/reconstruction
- Urinary incontinence and voiding dysfunction (male and female)
- Urogynecology and female urology (pelvic floor reconstruction for prolapse)

### EDUCATION & TRAINING

**Medical School:** Baylor College of Medicine, Houston, Texas

**Residency:** Urology, Baylor College of Medicine, Houston, Texas

**Fellowship:** Continence, Pelvic Reconstructive Surgery and Neuro-urology, Houston Methodist Hospital, Houston, Texas

## Urologic Oncology

### Dharam Kaushik, MD

#### EXPERTISE

- Adrenal masses/adrenal cancer
- Advanced laparoscopic and robotic surgery in urologic oncology
- Bladder cancer
- Complex open surgery for advanced kidney cancer and testicular cancer (retroperitoneal lymph node dissection)
- Inguinal lymph node
- Kidney cancer with IVC tumor thrombus
- Penile cancer
- Prostate cancer
- Retroperitoneal masses
- Robotic partial and radical nephrectomy
- Robotic radical prostatectomy
- Testicular cancer
- Ureteral cancer

#### EDUCATION & TRAINING

**Medical School:** Mysore Medical College, India

**Residency:** University of Nebraska Medical Center, Omaha, Nebraska

**Fellowship:** Urology Oncologic Surgery, Mayo Clinic, Rochester, Minnesota

### Brian J. Miles, MD

#### EXPERTISE

- Adrenal masses
- Bladder cancer
- Elevated PSA
- Enlarged prostate
- High-intensity focused ultrasound (HIFU)
- Kidney cancer
- MRI fusion biopsy
- Prostate cancer
- Robotic laparoscopic surgery
- Testicular cancer
- Urinary diversion
- Urinary reconstruction
- Watchful waiting program

#### EDUCATION & TRAINING

**Medical School:** University of Michigan Medical School, Ann Arbor, Michigan

**Residency:** Urology, Walter Reed Army Medical Center, Bethesda, Maryland

## Raj Satkunasivam, MD

### EXPERTISE

- Adrenal masses/adrenal cancer
- Advanced laparoscopic and robotic surgery in urologic oncology
- Bladder cancer
- Complex open surgery for advanced kidney cancer and testicular cancer (retroperitoneal lymph node dissection)
- Kidney cancer
- Penile cancer
- Prostate cancer
- Retroperitoneal masses
- Robotic cystectomy with intracorporal diversion/neobladder
- Robotic partial and radical nephrectomy
- Robotic radical prostatectomy
- Testicular cancer

### EDUCATION & TRAINING

**Medical School:** University of Toronto, Ontario, Canada

**Residency:** Urology, University of Toronto, Ontario, Canada

**Fellowship:** Urologic Oncology, Advanced Robotic and Laparoscopic Surgery, Keck School of Medicine of University of Southern California, Los Angeles, California

## Stone Disease & Kidney Surgery

## Monica Morgan, MD

### EXPERTISE

- Benign prostate hyperplasia (BPH)
- Hydronephrosis
- Kidney cancer (robotic partial and radical nephrectomy)
- Kidney obstruction
- Kidney stones
- Kidney/upper tract reconstruction
- Minimally invasive urologic oncology
- Prostate cancer
- Robotic surgery
- Surgical and medical management of complex kidney stones
- Urethral injuries

### EDUCATION & TRAINING

**Medical School:** University of Montreal College of Medicine, Montreal, Canada

**Residency:** Urology, University of Montreal, Montreal, Canada

**Fellowship:** Minimally Invasive Oncology and Endourology, The University of Texas Southwestern Medical Center, Dallas, Texas

## Men's Health

### Akhil Muthigi, MD

#### EXPERTISE

- Erectile dysfunction
- Male infertility
- Male reproductive disorders
- Microsurgical sperm retrieval
- Penile prosthetics
- Peyronie's disease
- Male hormone treatment/Low testosterone
- Vasectomy and vasectomy reversal
- Varicocele repair

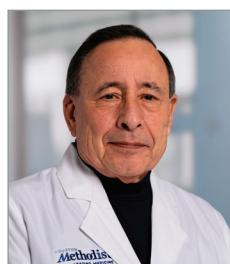

#### EDUCATION & TRAINING

**Medical School:** Wake Forest School of Medicine, Winston-Salem, North Carolina

**Residency:** Urology, Georgetown Hospital, Washington D.C.

**Fellowship:** Andrology/Male Infertility, University of Miami Health System, Miami, Florida

## General Urology

### Felipe N. Flores, MD

#### EXPERTISE

- Ablation procedures
- Adolescent health
- Bladder cancer
- Endoscopy
- Erectile dysfunction
- General and female urology
- Urinary incontinence
- Urology oncology

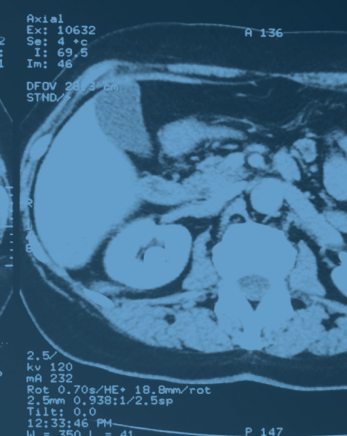

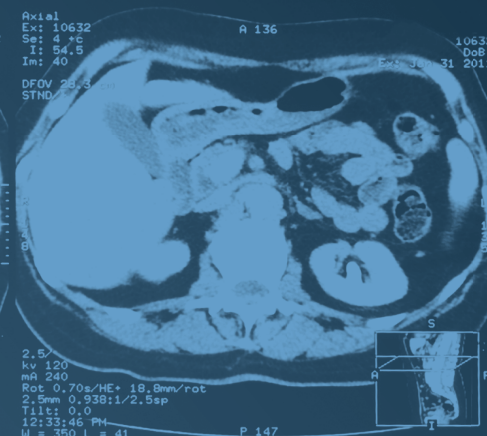

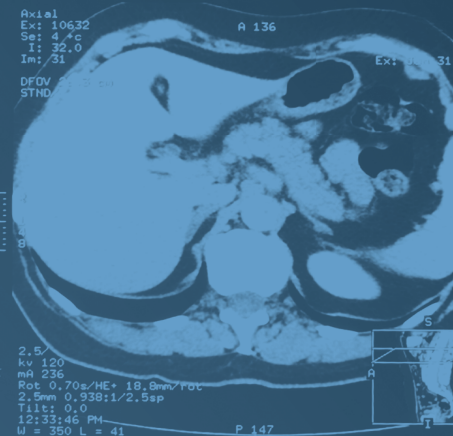

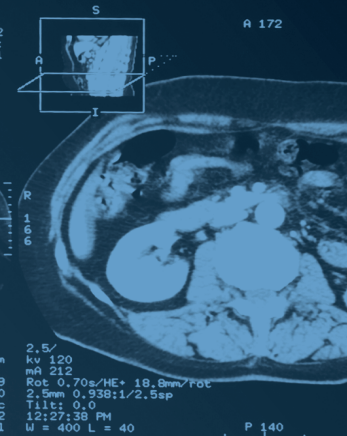

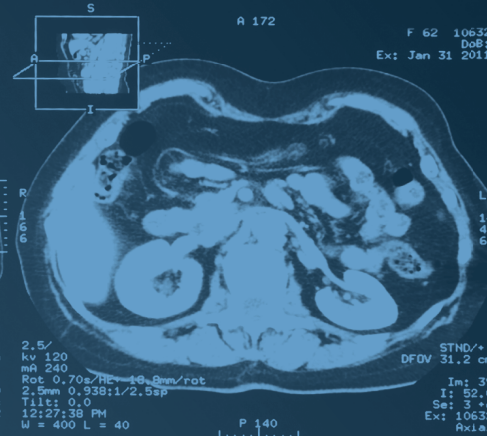

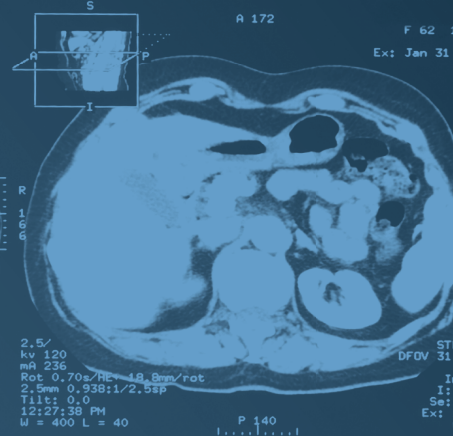

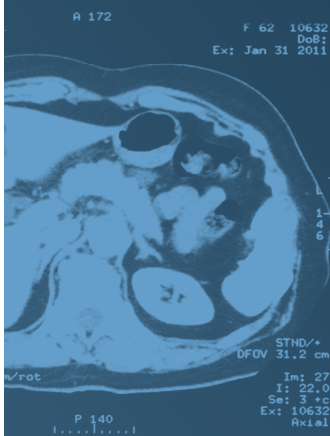

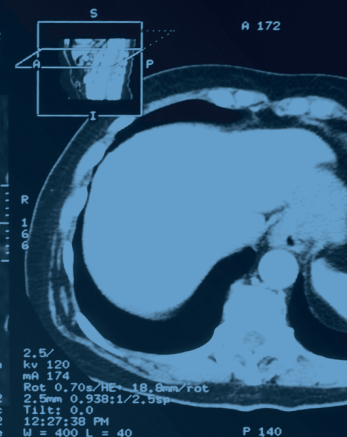

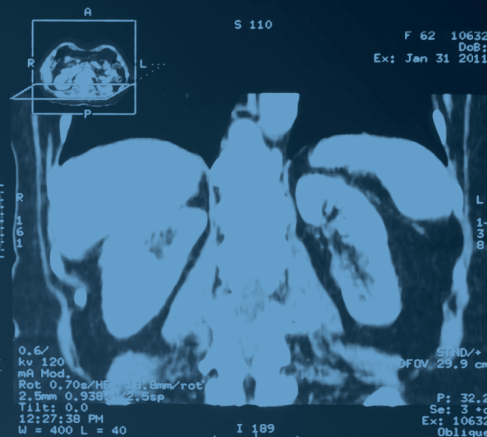

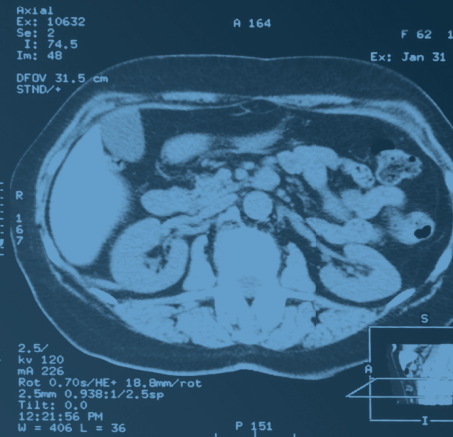

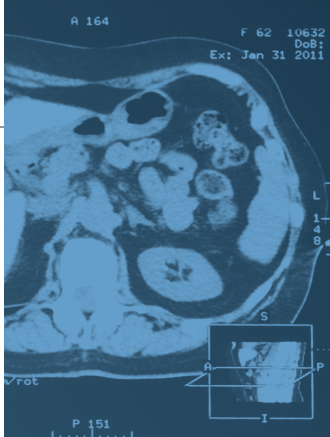

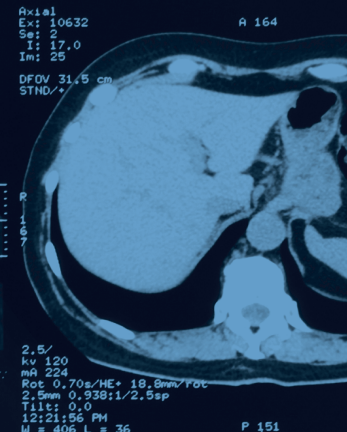

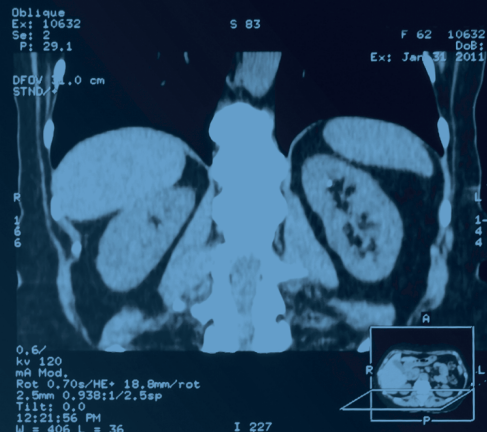

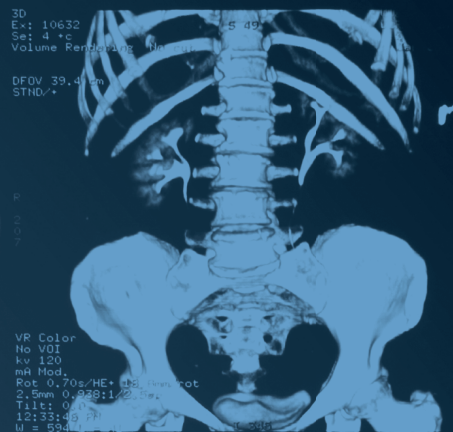

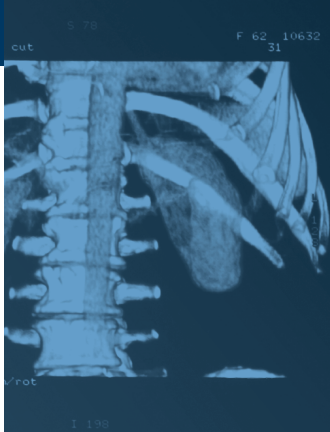

#### EDUCATION & TRAINING

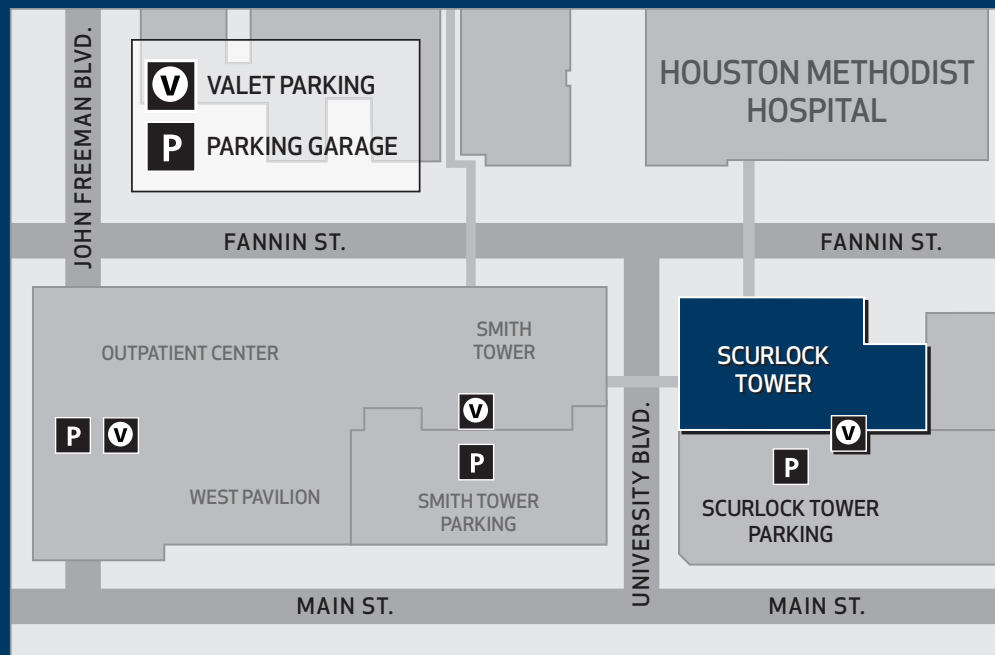

**Medical School:** Facultad de Ciencias Médicas de la Universidad de San Carlos de Guatemala, Guatemala City, Guatemala

**Residency:** Urology, Baylor College of Medicine, Houston, Texas

**Fellowship:** Urology, Urodynamics and Prosthetics, Baylor College of Medicine, Houston, Texas

## TEXAS MEDICAL CENTER

6560 Fannin St.  
Scurlock Tower  
Suite 2100  
Houston, TX 77030

To refer a patient, call **713.441.6455**, fax referral information to **713.790.5138** or send referrals via Houston Methodist Epic or EpicCare Link with "URO HMH ST 2100" as the department location.
