

HOUSTON METHODIST
STANLEY H. APPEL
DEPARTMENT OF NEUROLOGY
2025 CENTRAL REGION PROVIDERS

Neuromuscular Disorders

Jun Li, MD, PhD

John M. O'Quinn Foundation
Presidential Distinguished Chair
Professor and Chair of Neurology
Weill Cornell Medical College

EXPERTISE

- Charcot-Marie-Tooth disease
- Electromyography (EMG)
- Inherited peripheral nerve diseases
- Myopathies
- Peripheral neuropathies

LOCATION

Texas Medical Center

713.363.7310

FAX: 713.790.5079

EDUCATION & TRAINING

Medical School: Anhui Medical University, Hefei, Anhui, China

Doctorate: Drexel University College of Medicine (formerly Hahnemann University), Philadelphia, Pennsylvania

Residency: Neurology, Ohio State University, Columbus, Ohio

Fellowship: EMG/Neuromuscular Medicine, University of Utah, Salt Lake City, Utah

Ashley E. L. Anderson, MD, MPH

EXPERTISE

- Amyloid neuropathy
- Amyotrophic lateral sclerosis (ALS)
- Chronic inflammatory demyelinating polyneuropathy (CIDP)
- Electromyography (EMG)
- Inflammatory myopathies
- Myasthenia gravis

LOCATION

Texas Medical Center

713.363.7310

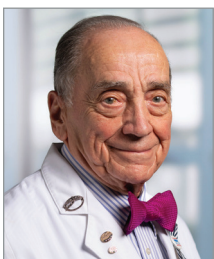

FAX: 713.790.5079

EDUCATION & TRAINING

Medical School: Morehouse School of Medicine, Atlanta, Georgia

Residency: Neurology, University of Florida, Gainesville, Florida

Fellowship: Neuromuscular Medicine, Houston Methodist Hospital, Houston, Texas

Stanley H. Appel, MD

Peggy and Gary Edwards
Distinguished Chair in ALS Research
Director, Ann Kimball & John W. Johnson
Center for Cellular Therapeutics
Professor of Neurology
Weill Cornell Medical College

EXPERTISE

- Alzheimer's disease
- Amyotrophic lateral sclerosis (ALS)
- Neurodegenerative diseases

LOCATION

Texas Medical Center

713.441.3760

FAX: 713.793.7271

EDUCATION & TRAINING

Medical School: Columbia College of Physicians & Surgeons, New York, New York

Residencies: Mount Sinai Medical Center, New York, New York; Duke University, Durham, North Carolina; University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania

Research Fellowship: Laboratory of Molecular Biology, NIH, Bethesda, Maryland

Ericka P. Greene, MD, MACM*

The Sumner Family Distinguished Chair
in Neuromuscular Diseases
Vice Chair of Education,
Neurology Training Programs
Director, Neuromuscular Clinic
Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.363.7310

FAX: 713.790.5079

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Mitochondrial disorders
- Muscular dystrophy
- Myasthenia gravis
- Myopathy/inflammatory myopathy
- Peripheral neuropathy/CIDP

EDUCATION & TRAINING

Medical School: UT Health, Houston, Texas

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Fellowship: Neuroscience, Baylor College of Medicine, Houston, Texas

Bing Liao, MD, MSC

Director, Neurology Residency Program
Assistant Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.363.7310

FAX: 713.790.5079

Fluent in
Mandarin Chinese

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Botox for chronic migraine
- Cancer treatment related neuromuscular disorders
- Carpal tunnel syndrome
- Chronic inflammatory demyelinating polyneuropathy (CIDP)
- Guillain-Barré syndrome, CIDP
- Muscular dystrophy
- Myasthenia gravis
- Occipital nerve block

EDUCATION & TRAINING

Medical School: Xiangya School of Medicine/Central South University, Changsha, China

Residency: Neurology, The University of Texas Medical Branch, Galveston, Texas

Fellowship: Neuromuscular Medicine, Mayo Clinic, Rochester, Minnesota

Sheetal Shroff, MD

Director, EMG and Ultrasound Lab
Director, Neuromuscular Fellowship Program
Assistant Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.363.7310

FAX: 713.790.5079

Fluent in Hindi

EXPERTISE

- Amyloid neuropathy
- Amyotrophic lateral sclerosis (ALS)
- Carpal tunnel syndrome
- Electromyography (EMG)
- Metabolic and inflammatory myopathies
- Muscle and skin biopsy
- Muscular dystrophy
- Myasthenia gravis
- Neuromuscular ultrasound

EDUCATION & TRAINING

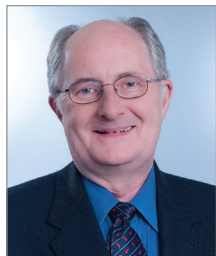

Medical School: Kempegowda Institute of Medical Sciences, Bangalore, India

Residency: Neurology, The University of Texas Medical Branch, Galveston, Texas

Fellowship: Neuromuscular Medicine, Houston Methodist Hospital, Houston, Texas

*Not accepting new patients

Neuromuscular Disorders (cont.)

R. Glenn Smith, MD, PhD

EXPERTISE

- Amyotrophic lateral sclerosis (ALS)
- Central demyelinating disease
- Chronic inflammatory demyelinating polyneuropathy (CIDP)
- Electromyography (EMG)
- Guillain-Barré syndrome
- Muscular dystrophy
- Myasthenia gravis
- Myopathy
- Myositis
- Neuropathy
- Spasticity

LOCATION

Texas Medical Center

713.363.7310

FAX: 713.790.5079

EDUCATION & TRAINING

Medical School: Baylor College of Medicine, Houston, Texas

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Fellowship: Neurodegenerative and Neuromuscular Diseases, Baylor College of Medicine, Houston, Texas

Mary L. Vo, MD, PharmD

Director, Houston Methodist Neuropathy Center

EXPERTISE

- Chronic inflammatory demyelinating polyneuropathy (CIDP)
- Diabetic neuropathy
- Electromyography (EMG)
- Hereditary neuropathy
- Neurogenetics
- Nerve conduction studies
- Peripheral neuropathy

LOCATION

Texas Medical Center

713.363.7310

FAX: 713.790.5079

EDUCATION & TRAINING

Medical School: SUNY Stony Brook, Stony Brook, New York

Residency: Neurology, New York Presbyterian Hospital/Weill Cornell, New York, New York

Fellowship: Clinical Neurophysiology-EMG, New York Presbyterian Hospital/Weill Cornell, New York, New York

Multiple Sclerosis and Neuroimmunology

Abdul R. Alchaki, MD

Director, Multiple Sclerosis and Neuroimmunology Clinic
Assistant Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Autoimmune encephalopathy
- MOG antibody associated disorder
- Multiple sclerosis
- Neuromyelitis optica NMO
- Neurosarcoidosis
- Optic neuritis
- Paraneoplastic diseases
- Susac Syndrome
- Transverse myelitis

LOCATION

Texas Medical Center

713.441.3010

FAX: 713.441.3011

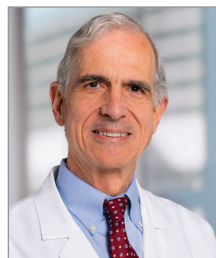

EDUCATION & TRAINING

Medical School: Damascus University, Damascus, Syria

Residency: Neurology, Rutgers University, Newark, New Jersey

Fellowship: Neuroimmunology/Multiple Sclerosis, University of Rochester, Rochester, New York

Alzheimer's Disease and Cognitive Disorders

Joseph C. Masdeu, MD, PhD

Graham Family Distinguished Chair
for Neurological Sciences
Director, Nantz National Alzheimer Center
Director, Behavioral Neurology
and Neuropsychiatry Fellowship Program
Professor of Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.441.1150

FAX: 713.791.5125

Fluent in Spanish

EXPERTISE

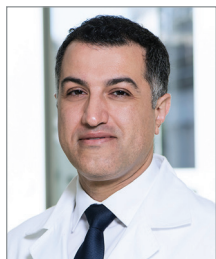

- Alzheimer's disease
- Behavioral disorders
- Gait disorders
- Memory disorders
- Neuroimaging

EDUCATION & TRAINING

Medical School: Facultad de Medicina,
Universidad Complutense de Madrid,
Madrid, Spain

Residency: Neurology, Mount Sinai
Hospital, Chicago, Illinois

Fellowship: Neuropathology, Brigham
Hospital/Harvard Medical School,
Boston, Massachusetts

Alireza Faridar, MD*

Stanley H. Appel Chair in
Translational Neuroscience
Associate Professor of Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.441.1150

FAX: 713.791.5125

Fluent in Persian

EXPERTISE

- Alzheimer's disease
- Frontotemporal dementia
- Lewy body dementia
- Neurodegenerative disorder
- Rapid progressive dementia
- Vascular dementia

EDUCATION & TRAINING

Medical School: Tehran University of
Medical Sciences, Tehran, Iran

Residency: Neurology, Houston
Methodist Hospital, Houston, Texas

Fellowship: Neuroimaging and
Cognitive Neurology, Houston
Methodist Hospital, Houston, Texas

M. Obadah Nakawah, MD

Director, Neuroimaging Fellowship Program
Assistant Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.441.1150

FAX: 713.791.5125

Fluent in Arabic

EXPERTISE

- Alzheimer's disease
- Behavioral neurology
(neuropsychiatry)
- Cognitive neurology
(memory disorders)
- Geriatric neurology
- Neurodegenerative disorders
- Normal pressure
hydrocephalus (NPH)

EDUCATION & TRAINING

Medical School: Damascus University
School of Medicine, Damascus, Syria

Residency: Neurology, Houston
Methodist Hospital, Houston, Texas

Fellowship: Neuroimaging and
Cognitive Neurology, Houston
Methodist Hospital, Houston, Texas

Gustavo C. Román, MD, DRHC

Jack S. Blanton Presidential Distinguished Chair
for the Study of Neurological Disease
Co-director, Nantz National Alzheimer Center
Professor of Neurology
Weill Cornell Medical College

EXPERTISE

- Alzheimer's disease
- Cognitive neurology
- Dementia
- Frontotemporal dementia
- Lewy body dementia
- Memory disorders
- Mild cognitive impairment
- Normal pressure hydrocephalus
- Tropical Neurology
- Vascular cognitive impairment
- Vascular dementia

LOCATION

Texas Medical Center
713.441.1150
FAX: 713.791.5125
Fluent in Spanish
and French

EDUCATION & TRAINING

Medical School: Universidad Nacional de Colombia, Bogotá, Colombia

Residency: Neurology,
University of Vermont Medical Center,
Burlington, Vermont

Fellowships: Electrodiagnosis
(EEG/EMG) and Neuropathology,
University of Vermont Medical Center,
Burlington, Vermont; Clinical Neurology
and Neuropathology, Medicine Pierre et
Marie Curie, Paris, France

Juan "Jon" Toledo, MD, PhD

Ann and Billy Harrison Centennial Chair
in Alzheimer's Research
Director, LBDA Research Center of Excellence
Assistant Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Alzheimer's disease
- Corticobasal syndrome
- Dementia
- Lewy body dementia
- Neurodegenerative disorders
- Progressive supranuclear palsy
- REM Behavior Sleep Disorder

LOCATION

Texas Medical Center
713.441.1150
FAX: 713.791.5125
Fluent in Spanish

EDUCATION & TRAINING

Medical School: University of Navarra,
Pamplona, Spain

Residency: Neurology, Houston
Methodist Hospital, Houston, Texas

Fellowship: Movement Disorders,
University of Florida, Gainesville, Florida

Concussion and Neuropsychology

Kenneth Podell, PhD

The John M. O'Quinn Centennial Chair
in Concussion Research and Care
Director, Houston Methodist
Concussion Center
Associate Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.441.8277

FAX: 713.790.5055

EXPERTISE

- Brain Injury
- Concussion
- Dementia
- Memory problems
- Neurodegenerative disease
- Neuropsychology
- Sports concussions
- Traumatic brain injury (TBI)

EDUCATION & TRAINING

Postgraduate: The City University
of New York, New York, New York

Internship: Medical College of
Pennsylvania, Philadelphia, Pennsylvania

Fellowship: Neuropsychology,
Medical College of Pennsylvania,
Philadelphia, Pennsylvania

Stella H. Kim, PsyD

Assistant Professor of Neuropsychology
Weill Cornell Medical College

LOCATION

Texas Medical Center

713.441.8277

FAX: 713.790.5055

EXPERTISE

- Mild cognitive impairment
and dementia
- Movement disorders
- Multiple sclerosis
- Neurodegenerative diseases
- Vascular diseases and stroke

EDUCATION & TRAINING

Graduate School: Clinical Psychology,
Indiana University of Pennsylvania,
Indiana, Pennsylvania

Internship: Clinical Neuropsychology,
VA Connecticut Healthcare System,
West Haven, Connecticut

Fellowship: Clinical Neuropsychology,
Baylor College of Medicine,
Houston, Texas

Epilepsy

Amit Verma, MD

Director, Comprehensive Epilepsy Program
Director, Clinical Neurophysiology
Fellowship Program
Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Electroencephalography (EEG)
- Intraoperative monitoring
- Epilepsy
- Seizures

LOCATION

Texas Medical Center

713.441.3970

FAX: 713.790.2270

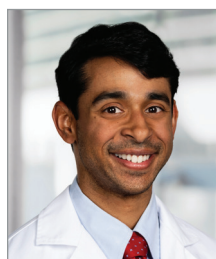

Fluent in Hindi and Punjabi

EDUCATION & TRAINING

Medical School: Government Medical College, Amritsar, India

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Fellowship: Clinical Neurophysiology, Duke University, Durham, North Carolina

Rohit S. Kuruvilla, MD

EXPERTISE

- Electroencephalography (EEG)
- New-onset seizure
- Epilepsy
- Refractory epilepsy
- Neuromodulation
- Seizures
- Neurophysiology

LOCATION

Texas Medical Center

713.441.3970

FAX: 713.790.2270

EDUCATION & TRAINING

Medical School: UT Health, Houston, Texas

Residency: Neurology, University of Virginia, Charlottesville, Virginia

Fellowships: Clinical Neurophysiology; Epilepsy, University of Virginia, Charlottesville Virginia

Brandy Ma, MD, MPH

Assistant Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Electrophysiology
- Seizures in the critically ill
- Epilepsy
- Women with epilepsy
- New-onset seizures

LOCATION

Texas Medical Center

713.441.3970

FAX: 713.790.2270

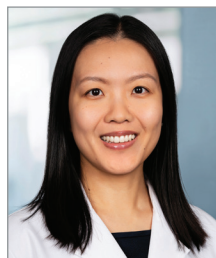

EDUCATION & TRAINING

Medical School: Baylor College of Medicine, Houston, Texas

Residency: Neurology, The Johns Hopkins University, Baltimore, Maryland

Fellowship: Epilepsy, University of California, San Francisco, California

General Neurology

Joanna J. Chang, MD

EXPERTISE

- Alzheimer's disease
- Back pain
- Brain tumors
- Carpal tunnel syndrome
- Dementia
- Electromyography (EMG)
- Epilepsy
- Headache
- Neuropathy
- Parkinson's disease
- Restless leg syndrome
- Seizures
- Spasticity
- Stroke
- Transient ischemic attack
- Tremor

LOCATION

Memorial City

832.522.8720

FAX: 713.468.3691

EDUCATION & TRAINING

Medical School: UT Health, Houston, Texas

Residency: Neurology, UT Health, Houston, Texas

Fellowship: Clinical Neurophysiology, UT Health, Houston, Texas

Joseph F. Imbs, DO

EXPERTISE

- Ataxia
- Atypical parkinsonism
- Blepharospasm
- Botulinum toxin injections
- Deep brain stimulator programming
- Disorders of upper and lower motor neurons
- Dystonia
- Electroencephalography
- Electromyography
- Essential tremor
- Gait Disorders
- Hemifacial spasm
- Huntington's disease
- Intrathecal baclofen therapy
- Migraine
- Neuropathy
- Parkinson's disease
- Radiculopathy
- Restless leg syndrome
- Spasticity
- Tardive dyskinesia
- Tics and Tourette syndrome

LOCATION

Texas Medical Center

713.363.8184

FAX: 713.790.7881

EDUCATION & TRAINING

Medical School: Lincoln Memorial University/DeBusk College of Osteopathic Medicine, Harrogate, Tennessee

Residency: Neurology, Beaumont Health, Royal Oak, Michigan

Fellowships: Clinical Neurophysiology, UT Health, Houston, Texas; Movement Disorders, Houston Methodist Hospital, Houston, Texas

Julia L. Jones, MD

EXPERTISE

- Back & neck pain
- Brachial plexus nerve
- Carpal tunnel syndrome
- Cervical disc disease
- Chronic migraine
- Dizziness and imbalance
- Electrodiagnostic medicine
- Electromyography (EMG)
- Low back pain
- Pseudotumor

LOCATION

Texas Medical Center

713.363.7150

FAX: 713.363.9128

EDUCATION & TRAINING

Medical School: Tulane University, New Orleans, Louisiana

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Fellowship: Electromyography, Baylor College of Medicine, Houston, Texas

Cuie Qiu, MD, PhD

EXPERTISE

- Alzheimer's disease
- Botulinum toxin for migraine
- Dizziness
- Electroencephalography (EEG)
- Electromyography (EMG)
- Gait abnormalities
- Headaches
- Migraine headaches
- Memory loss
- Multiple sclerosis
- Neck and back pain
- Neuropathy
- Numbness and tingling
- Restless leg syndrome
- Seizures
- Tremor
- Weakness

LOCATION

Southside Place

713.363.7130

FAX: 713.363.7131

Fluent in
Mandarin Chinese

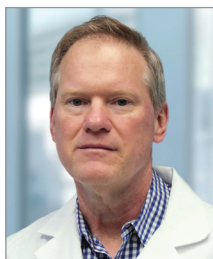

EDUCATION & TRAINING

Medical School: Jining Medical College, Shandong, China

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Fellowship: Clinical Neurophysiology, UT Health, Houston, Texas

Movement Disorders

William G. Ondo, MD

Director, Movement Disorders Clinic
Professor of Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center
713.363.8184
FAX: 713.790.7881

EXPERTISE

- Atypical parkinsonism
- Blepharospasm
- Chorea, including Huntington's disease
- Drug-induced movement disorders, including tardive dyskinesia
- Dystonia, including administration of botulinum toxin
- Essential tremor
- Hemi-facial spasm
- Myoclonus
- Parkinson's disease
- REM sleep behavior disorder
- Restless legs syndrome
- Spasmodic torticollis
- Tics and Tourette syndrome

EDUCATION & TRAINING

Medical School: Medical College of Virginia, Charlottesville, Virginia
Residency: Neurology, Duke University Medical Center, Durham, North Carolina
Fellowship: Movement Disorders, Baylor College of Medicine, Houston, Texas

Andrew Billnitzer, MD, MPH

Assistant Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center
713.363.8184
FAX: 713.790.7881

EXPERTISE

- Ataxia
- Atypical parkinsonism
- Dystonia
- Huntington's disease
- Parkinson's disease
- Restless leg syndrome
- Tardive dyskinesia
- Tics and Tourette syndrome
- Tremors

EDUCATION & TRAINING

Medical School: Texas Tech University Health Sciences Center, El Paso, Texas
Residency: Neurology, The Johns Hopkins Hospital, Baltimore, Maryland
Fellowship: Movement Disorders, Baylor College of Medicine, Houston, Texas

Joseph F. Imbs, DO

EXPERTISE

- Ataxia
- Atypical parkinsonism
- Blepharospasm
- Botulinum toxin injections
- Deep brain stimulator programming
- Disorders of upper and lower motor neurons
- Dystonia
- Electroencephalography
- Electromyography
- Essential tremor
- Gait Disorders
- Hemifacial spasm
- Huntington's disease
- Intrathecal baclofen therapy
- Migraine
- Neuropathy
- Parkinson's disease
- Radiculopathy
- Restless leg syndrome
- Spasticity
- Tardive dyskinesia
- Tics and Tourette syndrome

EDUCATION & TRAINING

Medical School: Lincoln Memorial University/DeBusk College of Osteopathic Medicine, Harrogate, Tennessee
Residency: Neurology, Beaumont Health, Royal Oak, Michigan
Fellowships: Clinical Neurophysiology, UT Health, Houston, Texas; Movement Disorders, Houston Methodist Hospital, Houston, Texas

Eugene C. Lai, MD, PhD

Robert W. Hervey Chair for Parkinson's
Research and Treatment
Director, Neurodegenerative Clinic
Professor of Neurology and Neuroscience
Weill Cornell Medical College

EXPERTISE

- Botulinum toxin treatments
- Parkinson's disease and Parkinsonism
- Dementias
- Tremor disorders
- Gait disorders

LOCATION

Texas Medical Center

713.441.0239

FAX: 713.790.5044

Fluent in
Mandarin Chinese

EDUCATION & TRAINING

Postgraduate: Biochemistry, University of Washington, Seattle, Washington

Medical School: Baylor College of Medicine, Houston, Texas

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Olga Waln, MD

Assistant Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Ataxia
- Dystonia, including administration of botulinum toxin
- Atypical parkinsonism
- Essential tremor
- Chorea, including Huntington's disease
- Myoclonus
- Deep brain stimulation
- Parkinson's disease
- Drug-induced movement disorders, including tardive dyskinesia
- Tics and tourette syndrome

LOCATION

Texas Medical Center

713.363.8184

FAX: 713.790.7881

Fluent in Russian

EDUCATION & TRAINING

Medical School: Vitebsk State Medical Institute, Vitebsk, Belarus

Residency: Neurology, University of Tennessee Health Science Center, Memphis, Tennessee

Fellowship: Movement Disorders, Baylor College of Medicine, Houston, Texas

Vascular Neurology and Stroke

John J. Volpi, MD

The Elkins Family Distinguished
Centennial Chair in Neurology
Vice Chair, Department of Neurology
Director, Eddy Scurlock Stroke Center
Associate Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center
713.441.3952
FAX: 713.793.7019

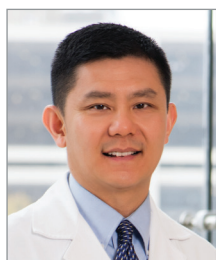

EXPERTISE

- Atrial fibrillation medications
- Brain bleeds
- Carotid disease
- Cause of stroke in young people
- Devices for treating and diagnosing atrial fibrillation
- Patent foramen ovale treatment
- Silent stroke
- Stroke
- Vascular dementia
- Vascular disease from injury (dissection)

EDUCATION & TRAINING

Medical School: Baylor College of Medicine, Houston, Texas

Residency: Neurology, Baylor College of Medicine, Houston, Texas

David Chiu, MD

Elizabeth Blanton Wareing Chair
in the Eddy Scurlock Stroke Center
Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center
713.441.3952
FAX: 713.793.7019

EXPERTISE

- Atrial fibrillation and flutter
- Brain aneurysms and arteriovenous malformations (AVM)
- Carotid surgery and angioplasty stenting
- Stroke-cerebrovascular accident
- Stroke recovery and rehabilitation
- Transient ischemic attacks

EDUCATION & TRAINING

Medical School: Yale University, New Haven, Connecticut

Residency: Neurology, University of California, San Francisco, California

Fellowship: Cerebrovascular Disease, UT Health, Houston, Texas

Rajan R. Gadhia, MD

Director, Houston Methodist Acute Teleneurology
Director, Vascular Neurology Fellowship Program
Associate Professor of Clinical Neurology
Weill Cornell Medical College

LOCATION

Texas Medical Center
713.441.3952
FAX: 713.793.7019

Fluent in Hindi
and Gujarati

EXPERTISE

- Atrial fibrillation
- Carotid revascularization
- Carotid ultrasound and transcranial Doppler
- Cervical artery dissection
- Hyperacute stroke management
- Intracerebral hemorrhage
- Large vessel occlusion
- Neuroimaging

EDUCATION & TRAINING

Medical School: Texas Tech University Health Sciences Center, Lubbock, Texas

Residency: Neurology, Houston Methodist Hospital, Houston, Texas

Fellowship: Vascular Neurology, Harvard Medical School, Boston, Massachusetts

Tanu Garg, MD

Assistant Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Acute stroke management
- Carotid revascularization
- Intracerebral hemorrhage
- Lifestyle management of stroke
- Stroke associated neurocognitive impairment
- Stroke prevention
- Stroke rehabilitation

LOCATION

Texas Medical Center

713.441.3952

FAX: 713.793.7019

Fluent in Hindi

EDUCATION & TRAINING

Medical School: The University of Texas Medical Branch, Galveston, Texas

Residency: Neurology, Baylor College of Medicine, Houston, Texas

Fellowship: Vascular Neurology, Houston Methodist Hospital, Houston, Texas

Vivek Misra, MD

Associate Professor of Clinical Neurology
Weill Cornell Medical College

EXPERTISE

- Acute stroke reperfusion therapies
- Cardioembolic stroke
- Carotid and vertebral artery dissection
- Carotid stenosis and treatment
- Cryptogenic and pediatric cerebrovascular disease
- Intracranial stenosis
- Intracerebral hemorrhage
- Stroke and cerebrovascular imaging
- Stroke recovery
- Transient ischemic attacks

LOCATION

Texas Medical Center

713.441.3952

FAX: 713.793.7019

Fluent in Hindi and Urdu

EDUCATION & TRAINING

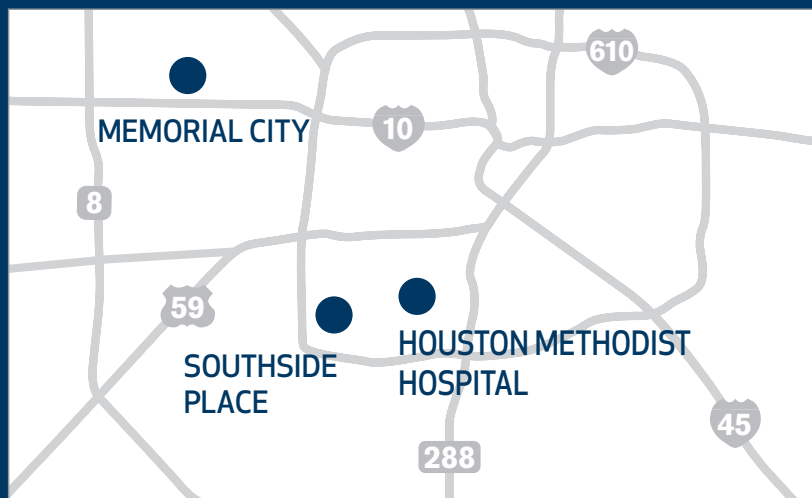

Medical School: Kasturba Medical College, Manipal University, Manipal, India

Residency: Neurology, Louisiana State University Health Science Center, Shreveport, Louisiana

Fellowship: Vascular Neurology, UT Health, Houston, Texas

U.S. News & World Report has ranked Houston Methodist Hospital No. 13 among 1,227 hospitals in neurology and neurosurgery. *U.S. News & World Report* has also named Houston Methodist Hospital the No. 1 hospital in Texas and one of the nation's best as a nationally ranked Honor Roll hospital.

Texas Medical Center
6560 Fannin St.
Scurlock Tower
Suites 750 and 802
Houston, TX 77030

Memorial City
9090 Katy Fwy.
Suite 200
Houston, TX 77024

Southside Place
4191 Bellaire Blvd.
Suite 250
Houston, TX 77025

How to Refer

To refer a patient, call scheduling, fax referral information, or send to the below locations in Houston Methodist Epic or EpicCare Link

NEURO HMH ST 802

- Concussion and Neuropsychology
- EMGs
- Epilepsy
- General Neurology
- Movement Disorders
- Multiple Sclerosis and Neuroimmunology
- Neuromuscular Disorders
- Vascular Neurology and Stroke

NEURO HMH ST 750

- Alzheimer's Disease and Cognitive Disorders

NEURO SS COMMONS

- General Neurology in Southside Place

NEURO SPR VLY 200

- General Neurology in Memorial City
